

Garlic Festival Garlic Martini

If your martini needs a little change this might be just the trick.

This is the ideal sophisticated drink for any party. This is especially nice for that grown up Halloween party to chase away vampires!

This version is slightly less dry than traditional, although you may adjust to taste.

For a nice spicy version you may substitute **Garlic Festival Garlic & Jalapeno Stuffed Olives**.

Recipe:

3 ounces of your favorite gin or vodka

3/4 ounces Vermouth

1 splash of **Garlic Festival Garlic Stuffed Olive** juice (you may adjust to taste)

2 to 3 **Garlic Festival Garlic Stuffed Olives**

Shake everything except the olives themselves with a small amount of ice in a shaker. Strain the mixture into a martini glass. Garnish with olives and serve. Enjoy!
