*How to enjoy our delicious Pickled Garlic*

***Straight out of the jar!!! It's Healthy & Delicious!***

Try on sandwiches, hamburgers, hot dogs, panini & pizza.

Chop and stir into pasta sauces and let it simmer allowing the sauce to absorb the flavor.

Serve with grilled meats, pork chops or milder fish such as halibut or cod.

Cocktails like Bloody Marys come alive when pickled garlic is used.

When mixing martinis add the pickled garlic of your choice and you may even add a splash of the brine for a  
Garlicious Dirty Martini.

Toss with Sautéed vegetables like onions, peppers, broccoli, onions or asparagus.

Potato, Tuna or Pasta salads really go to the next level when chopped pickled garlic is added.

Stir frys, stir fried rice & curries really pop when chopped pickled garlic is added.

A natural & delicious companion to a charcuterie board. Set out a variety of flavors so people can find flavor combinations they enjoy.

Whisk 1 part of the brine with 3 parts extra virgin olive oil, add salt & pepper to taste and toss with salad greens.
