

Garlic Festival Cowboy Caviar

Ingredients:

- 1 Can black eyed peas
 - 1 Can corn (I like the summer crisp, smaller can, but worth it)
 - 1 Can black beans
 - 1 Jalapeño diced (seedless if you don't like spice)
 - 1/2 Red onion diced
 - 1 Cup diced tomatoes or cherry tomatoes cut in half
 - 1 Bunch cilantro, rip the leaves off that sucker and toss it in the bowl
- Mix together and set aside.

Directions:

- 1/2 Cup olive oil
 - 2 Tbsp. **Garlic White Balsamic Vinegar** (you may also use the Garlic & Cilantro flavor if you desire).
 - 1 Tbsp. honey
 - Juice and zest from fresh lime
 - Salt & pepper to taste
- Whisk or shake in a bottle and pour over bean mixture then mix thoroughly. Chill in the fridge. Just before serving add diced avocado and more lime juice to prevent browning. Enjoy with corn chips. Party time!
