We know **Gilroy Garlic Fries** have become the rage at ballparks across the nation. We have removed all that oily mess and replaced it with tons of FLAVOR!

- 2 tablespoons fresh rosemary
- Garli Garni to taste

Toss minced garlic in olive oil.

Place fries in baking sheet and drizzle with olive oil mixture and part of the rosemary. Sprinkle with **Garli Garni** and toss.

Bake according to package directions tossing occasionally. Once fries are cooked and golden brown, remove from pan and sprinkle with remaining rosemary and more **Garli Garni** to taste. YUM!!
